

Puberty & Autistic Spectrum Condition

One Day Course

What to expect:

- An overview of ASC
- To consider how ASC and related difficulties impacts on pupils ability to understand puberty, development of relationships and appropriate behaviour
- To explore strategies and resources to support pupils with Sex and Relationships Education (SRE)

Course Outcome

Each delegate will learn to:

- Develop a greater understanding of the difficulties experienced by pupils with ASC in regard to SRE
- Apply a range of ASC specific strategies to support pupils and enhance their understanding of the complexities of puberty and appropriate behaviour

Delivered by Emma Pettitt and Julie Greenall

Cost: £125
