

HILLSIDE STUDENT COUNCIL

Hillside Student Council Meeting – Summer 2 - 2024-2025

Introduction/Apologies

Attendees	
Students	Staff/Other
Remi, Alex, Mohammed Yusef, Mohammed Faiz, Anaya, Patrick,	Natasha, Dale, Hannah, Kelly
Apologies	
Students	Staff/Other
Teddy, Nicholas, Jakey	

Minutes

1. New Logo

KS presented the new logo and confirmed it would now be in use on all paperwork and the school website. KS to update school website (AP1)

2. Presentation of new councillors

Remi presented new councillors; Mohammed Y and Patrick with their certificates and attended class 2 to present Mason, Jaz and Zakaria theirs (photos taken). KS to check pupil permission and email to Natalie/Victoria to upload to the school website (AP2).

3. Update Student Council Display

Discussed student council display will now need updating to include new councillors. Class 7 – Patrick and Anaya to complete. To be completed by the new academic year in September (AP3).

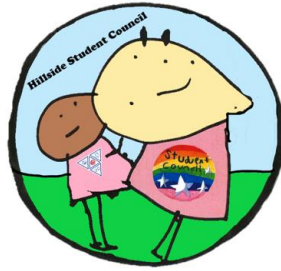

4. Tuck Shop Update

Hannah fed back information regarding tuck shop;

Reduced number of people attending, resulting in stock going out of date, limiting choice and amount of stock.

As a group discussed possible resolutions, e.g., different day, different time, change of stock, advertising and sharing information with parents.

Remi and Alex to create a questionnaire to distribute to pupils and staff gaining feedback of what people think would help to improve the service. To be distributed and data gathered by Monday 7th July 2025, allowing an action plan to be put in place, ready for moving forward into the new academic year 25/26. (AP4).

HILLSIDE STUDENT COUNCIL

5. **New Class names: Classroom Plaques and signage around school.**

Introduced and presented the new class names and explained moving forward classes would be staying in the same location. Discussed the idea of signage around school, showing examples and raised the issue of funding and possibility of fundraising. Pupils encouraged to research and present ideas for classroom signs (would be nice to be uniform across school) and the possible ideas for signage. Hannah suggested road marking on floor to areas (this was used in her hospital job). Ideas to be emailed or given to KS by 27th June 2025 (AP5), ready for suggestions to be put forward to SLT for the new academic year (KS – AP6). Kelly to share ideas presented in meeting with councillors/pupils and staff via email.

6. **End of year celebrations**

Sought ideas for end of year celebrations, something suitable for all key stages, something relatively low cost and easy to manage/plan. Discussed the colour run, but also questioned the cost. Patrick expressed a picnic and Mohammed Faiz commented he liked discos. Remi requested a half day finish. Discussed possibility of each key stage, having a slot in the wall garden for music, food and games. Requested for pupils/staff to gather ideas and to email/pass to KS by Friday 20th June, allowing time for plans to be put in place. (AP7).

7. **Fund raising ideas for next academic year.**

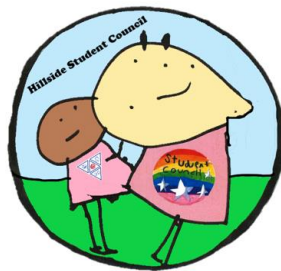

Discussed number of fundraising events to be scheduled for 2025/2026, agreed upon one a term and also the possibility of linking fundraising within the community not just parents.

Suggestions: Santa Dash, calendars, non-uniform days, crazy hair days, etc

Pupils/staff to gather further ideas and email or pass to KS gathered by Monday 7th July 2025, allowing an action plan to be put in place, ready for moving forward into the new academic year 25/26. (AP8).

8. **AOB**

No other issues raised.

HILLSIDE STUDENT COUNCIL
