

Autumn 2017

Class2

Over the autumn term class 2 have had regular FS sessions. During this period they have had the opportunity to explore a variety of natural and manmade materials such as soil, sand water, wet and dry pasta clay/playdough, wood, leaves flowers, wool and string etc.

Exploring and drawing round wooden circles together.

Wow! Maya a fantastic tower.

Exploring leaves and foliage.

Maya enjoyed the dinosaur play tray.

Practising our construction skills.

Wow!! Darren fantastic building.

Which one is the tallest?

Darren enjoyed playing with the tool sets.

Everyone enjoyed playing in the sand.

Regan made a lovely nest for the bird.

Outdoor fun with sand and water.

Maya enjoys exploring outside.

We made animal foot prints in playdough.

What animal footprint have you made?

Darren and Thomas enjoyed experimenting what would roll down the slope.

Maya and Darren are using tap and pin sets to make lovely pictures

Well done class 2 we had lots of fun playing and developing skills in forest schools.
